BlackJack

Divano Componibile - Sectional Sofa

Elegante, lussuoso, sicuro di sé. Il fascino di Black Jack, ideato da Daytona, è inscritto in ogni linea del divano e in ogni curva del tavolino. Qui, l'ispirazione retrò trova un nuovo punto d'incontro con il gusto moderno in una sintesi memorabile che deriva da un'attenta ricerca estetica e dalla volontà di innovare. Il risultato coglie l'essenza della sensibilità contemporanea e la astrae in una dimensione senza tempo.

Elegant, luxurious, self-confident. The charm of BlackJack, designed by Daytona, is engraved in every line of the sofa and in every curve of the coffee table. Here, retro-inspired style lines find a new convergence with modernity. It is a memorable synthesis that derives from the conscientious pursuit of aesthetics and innovation. The resulting product embodies the essence of contemporary insights expressed in a timeless dimension.

La perfetta zona living richiede dei tavolini di servizio da accompagnare al divano e BlackJack ne prevede diversi ma altrettanto pregiati. Il primo è un tavolino con top in noce canaletto massello che integra ricarica usb ed un regolatore elettronico dell'altezza, azionabile mentre si resta comodamente seduti sul divano.

The perfect living room needs service tables that match with the sofa and BlackJack provides different but equally refined models. The first is a freestanding coffee table with a top in Canaletto Walnut that integrates an electronic usb charger and an height adjuster that can be operated while sitting comfortably on the sofa.

La struttura del divano si innalza su un basamento con finitura in noce canaletto, sposando un elemento di stile che si afferma con forza. L'effetto è quello di determinare i confini di una vera e propria isola della convivialità all'interno della zona living, garantendo al contempo tutti i vantaggi della modularità.

The sofa's structure rises on a Canaletto Walnut base, matched with a dynamic and stylish element. The effect determines the boundaries of a real island of conviviality in the living room while ensuring all the benefits of modularity.

La versatilità è uno dei punti di forza del divano BlackJack che si articola in molteplici elementi combinabili tra di loro. Sedute con schienale, pouf, chaise longue, nelle loro versioni con o senza pianale di legno, lisce o trapuntate, si abbinano lasciando la massima libertà espressiva, forti della loro continuità stilistica. Le possibilità di personalizzazione si estendono anche al materiale dei rivestimenti disponibili in tessuto o in pelle.

Versatility is one of the strengths of the BlackJack sofa which is divided into multiple elements that can be combined with each other. Seats with backrest, pouf, chaise longue, come in various versions: with or without wooden platform, smooth or quilted and can be matched, allowing maximum freedom of expression, thanks to their unity in style. The customization options also include the material of the covers, available in fabric or leather.

Il divano BlackJack si presenta con un look geometrico e maschile, in cui lo schienale dal taglio moderno si congiunge con una seduta accogliente, impreziosita all'occasione da impunture che ammiccano agli amanti del classico. Dettaglio di stile, le estremità dello schienale e dei braccioli presentano un'inaspettata finitura avvolgente.

BlackJack sofa has a geometric and masculine look, in which the backrest lays on a thick cozy seat embellished by stitches that appeal to lovers of the classic styles. Stylish details, the ends of the backrest and armrests have a surprisingly cuddly finish.

Metropole

Tavolini- Coffee Tables

L'innovazione, una delle anime di Daytona, prende il sopravvento nel design dei tavolini Metropole. Proprio come lo skyline di una grande metropoli internazionale, questi complementi d'arredo stuzzicano lo sguardo con un gioco di altezze differenti, dove le due "torri" svettano sul coffee table e sul tavolino bar.

Innovation, a feature of Daytona's charm, stands out in the design of the Metropole coffee tables. Just like the skyline of a large international metropolis, these furnishing accessories bewitch the eye with a game of different heights, where the two "towers" hover over the coffee and bar tables.
